LEADING OTHERS TO GROW.

## BABIES AND INFANTS

**Nursery**

**Director:** Martha Holladay

**Room No. 106**

It is the goal of Twelve Oaks Baptist to provide a comfortable and nurturing environment for nursery age children (ages 0 to 2 years) at all worship services. A check in and check out system is provided that ensures the safety of all children so parents can feel secure about their child's well being.

## CHILDREN

**WARNING!** This is not your normal Sunday school for kids! It is way better! Each Sunday, kids are learning God's word and how to apply it in their lives through the Gospel Project. The Gospel Project utilizes video, dynamic teaching, and games that will give kids a solid foundation for their faith. More than that, the teachers we have are totally committed to you and your children to provide them with the best opportunity to grow in their faith.

## STUDENTS

Students are looking to belong and be loved. Students also want a place where they can ask real questions and find real answers. That is why we created family groups for students. During family groups, students will connect with students in their own age range and their same gender. Led by committed adult leaders, students will have the opportunity to learn God's word and how it applies to them through Explore the Bible. This study is a verse by verse walk through the Bible where students will truly be able to get the most out of God's word.
